

Rights and Resources for Survivors of Sexual Harassment: Including Dating Violence, Stalking and Sexual Assault

IF YOU HAVE EXPERIENCED SEXUAL MISCONDUCT

Students are encouraged to report any prohibited conduct that may constitute a crime to local law enforcement immediately. Police have unique legal authority to seek and execute search warrants, to collect forensic evidence and to make an arrest when supported by probable cause to believe a crime has been committed. Police can also assist when seeking a Personal Protection Order (PPO). Listed below are contact numbers for local law enforcement and Hope College's Campus Safety:

Confidential Resources on campus will not file a report or begin an investigation. They are individuals who are specifically trained to provide non-judgmental, compassionate care. There are a number of confidential sources for crisis counseling at Hope College, in the local community, and through national hotlines.
